## Tri-Level 2019

Tri-Level League is a USTA format designed to provide a unique team league opportunity to members by combining players of differing NTRP levels on teams in local and sectional competition. If you want to play with friends but are all at different NTRP levels, Tri-Level is for you. Play doubles with your friends, while on a team consisting of 3 or more NTRP levels. Example, one 3.0 doubles, one 3.5 doubles and one 4.0 doubles = Tri-Level team. This socially competitive league is a great way to enjoy the camaraderie of friends in the ultimate team experience.
