2020 USTA TN Junior Team Tennis Championships Team Registration Guidelines

Welcome to USTA Tennessee's JTT State Championships! This guide will walk you through the steps of registering your team for State Champs. While this year's championships will operate differently to ensure the safety and well-being of all participants, we are certain that the event will be a positive, fun experience for all attendees.

There are three critical components to registration:

1. Registering your team and players in [TennisLink](#)
2. Completing the [Final Online Registration Form](#)
3. Completing and submitting the required release and acknowledgement forms digitally

Captains are advised to confirm their available players so that they **can be registered all at one time for the championship**. They should verify that players on the team roster are eligible, will be able to attend the championship, and if permissible, determine a substitute to be added to the team. If a substitute is needed, [Tyler Strong](#), state coordinator, must add him or her.

- ALL captains **must** be listed in TennisLink as the Team Captain prior to registering
- ALL managers/captains/co-captains, and coaches **must** have passed a background screening [USTA BACKGROUND SCREEN FOR JUNIOR TEAM TENNIS](#)

The cost per player is \$41.39 plus a \$3.60 non-refundable tennis link charge (\$45/player total).

(Captains will pay this fee for all team members at time of team registration)

- *The \$41.39 per player event registration fee may be refunded on a case by case basis decided by the Tournament Committee. The \$3.60 Tennis Link fee is nonrefundable under any circumstances.*

There will be a Tennis Link Team Deposit of \$100

- *Team deposit will not be processed unless the team does not show up to the tournament after registering and/or withdraws from the tournament prior to completion of play.*
